Winter GDPR Training Offer

During December 2020 & January 2021 we are offering a 100% discount on our 1 hour basic GDPR course, usually priced at £50 per delegate. This course is ideal as an introduction to the UK's Data Protection Act 2018 and the General Data Protection Regulation for your employees.

We are offering this heavily discounted price as a result of the challenging year we have all had as businesses. If you have employees who are on the furlough scheme, they can attend training sessions without compromising payments made through the scheme, an ideal solution to keep your employees engaged and business ready for when we can return to normal operations.

The course content contains:

- **What is the Data Protection Act & the GDPR?**
- **What are the benefits**
- **The principles of the GDPR**
- **Key Definitions of the Regulation**
- **Data Mapping**
- **Legal Bases**
- **Consent**
- **Individual Rights**
- **Breaches**
- **Penalties**
- **A culture of Data Protection**

The training will be delivered through Microsoft Teams with handouts provided through email during the session. Candidates will receive a certificate of completion at the end of the session.
